Proverbs ch. 1 vs. 1-7

These are the proverbs of Solomon, David's son, king of Israel. Their purpose is to teach people wisdom and discipline, to help them understand the insights of the wise.

Their purpose is to teach people to live disciplined and successful lives, to help them do what is right, just, and fair. These proverbs will give insight to the simple, knowledge and discernment to the young. Let the wise listen to these proverbs and become even wiser. Let those with understanding receive guidance by exploring the meaning in these proverbs and parables, the words of the wise and their riddles.

Fear of the LORD is the foundation of true knowledge, but fools despise wisdom and discipline.

For August our prayer focus is: **to continue to pray for the outworking of the message of Lighthouse.**
